

Existing path along the west perimeter of the Site provides good connectivity to the wider park.

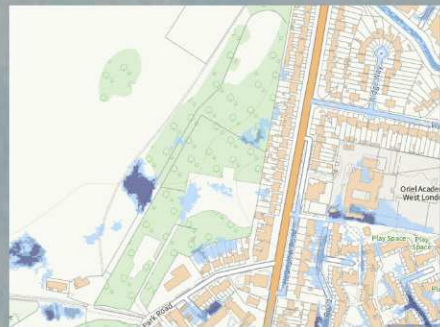

Existing Site access to the north off Hounslow Road (A314). Hounslow Football Club / Eddie's Bar with surfaced car park for approx. 40-50 cars

Woodland areas within the Site differentiate it from the rest of Hanworth Park and provide enclosure within the Site.

Areas of existing hardstanding have brownfield quality, but retain a good sense of enclosure by virtue of surrounding woodland. The hardstanding measures approx. 0.78ha

Low area within the Site which occasionally has surface water flooding.

Area of hardstanding has a very disturbed character but has potential to be repurposed.

Existing Site access points off Park Road. Surfaced track leads from the southern entrances to the existing hardstanding areas.
