Our Ref: North Hyde Lane zebra crossing
Date: 7th November 2022

Dear Resident,

North Hyde Lane: Proposed zebra crossing, east of Rostrevor Gardens

I am writing to inform you of our proposal to convert the existing informal pedestrian crossing on North Hyde Lane, east of Rostrevor Gardens, to a zebra crossing, as shown on the attached plan. The scheme aims to improve pedestrian safety, particularly at school drop of and pick up times when pedestrian movement is at its highest, and to encourage more local trips to be made on foot.

Parking availability would remain unchanged as the zebra crossing zig-zag road markings will replace the current “no waiting at any time” restrictions (double yellow lines) on the southern side and will occupy the space between the advisory footway parking bays on the northern side. However, loading availability would be reduced as there would be no loading at any time permitted on the zig-zag road markings.

We welcome your views and comments on this proposal by completing the short “**North Hyde Lane zebra crossing**” survey on our consultation web pages - www.hounslow.gov.uk/consultations. Alternatively, you can email us using the contact details above – please quote “North Hyde Lane zebra crossing” in the email title. Please return all comments by **Monday, 5 December 2022**.

We are not able to respond directly to every respondent, but all feedback will be summarised and presented to your local councillors, along with our recommendations, for their consideration. We will update the consultation webpage with that information once a decision has been made.

Yours faithfully

Kasun Ramdeen

Graduate Transport Projects Officer
