Our ref: TR One Way Except cycles
Date: 20/03/2023

Dear Resident,

Have your say on proposals for one-way except cycles, Twickenham Road service road (fronting Nos 344 and 346).

We would like your views on proposals to changes the way that vehicles can use Twickenham Road service road (Fronting Nos.344 and 346).

What are we proposing?

We are proposing to make Twickenham Road service road (Fronting Nos.344 and 346) one-way, except cycles. The one-way operation would be in the north-east bound direction towards Crane Avenue.

Why are we proposing this?

The Council has been informed of conflicts between motor vehicles using the road in both directions, as a result of its narrowness. The proposed one-way will remove all southbound movements in the road, thereby reducing the potential for conflict.

In line with Council's commitment to promoting active travel and increasing cycling levels across the borough, we are proposing to retain access for cycles in both directions, as the road forms part of a larger cycle route (C40).

How to respond

Once you have looked at the consultation information, I would be grateful if you would complete the **"Twickenham Road service road (Fronting Nos.344 and 346) One-way"** online survey using the following link: www.hounslow.gov.uk/consultations

**London Borough
of Hounslow**

We welcome your feedback and would ask that you provide your response by **Monday, 20th March 2023**.

If you require this information in an alternative format, please contact us by emailing traffic@hounslow.gov.uk or calling 020 8583 3322.

Next steps

We're unable to respond directly to every respondent, however all feedback will be summarised and presented to your ward councillors along with our recommendations. The outcome of the consultation will be available to view on the council's website once a decision has been made, which is likely to be in Spring 2023.

Yours faithfully

A handwritten signature in black ink that reads "Harvey Halfacre".
